Supported by

Why have a selection process?

To ensure a good match between the participants, HTID gathers disruptive European companies looking for additional partnerships and funding to scale up in Europe.

Before selection

1

Companies apply via the following online form start on April 12: <https://www.surveymonkey.com/r/HTID3>

2

The selection committee evaluates new applications every two weeks from April 21 until a few days before the event.

3

HTFC team will revert to companies with the final decision or additional requests. Companies will then receive payment instructions.

After selection

Following payment, companies will be confirmed as participants. In Person:€1,500*/In virtual€1,000*

Three weeks before the event, participants will receive an email giving them access to the partnering platform.

Participants schedule their meetings and book their agenda with preferred sessions.

D-Day! Enjoy your business meetings, sessions and network!

**Contact your local cluster and association to learn if they have a discount code*
