

HealthTech For Care publishes the participants and the program of the 4th edition of HealthTech Innovation Days, on October 13&14, 2022 in Paris

Placed for the fourth consecutive year under the High Patronage of Mr. Emmanuel Macron, President of the French Republic, HealthTech Innovation Days (HTID®) will take place at the HealthTech Space in Paris and virtually

Paris, September 27, 2022 - HTID® will bring together more than 800 participants, including approximately [150 innovative European healthcare companies](#) from more than 20 countries, above 300 [international investors](#) and 15 pharmaceutical and industrial companies, as well as international experts, patients and patient associations. The renewed confidence of its sponsors and the commitment of new partners attest to the growing mobilization of the health ecosystem in Europe with the aim of bringing medical support to all patient.

We are also honored to welcome Mr. Hubert Gambus, DG GROW - Internal Market, Industry, Entrepreneurship and SMEs at the European Commission on Thursday, October 13 at 6:50 pm, for a 40' speech on the topics covered by this European Directorate General.

The 2022 edition will be the opportunity to highlight the importance of a global approach that includes worldwide technological advances to build tomorrow's healthcare for all European citizens. Within this framework, experts will present, through a series of round tables, concrete ways to support the growth of European healthcare companies and will discuss new scientific and medical opportunities:

- **“Translational microbiome medicine to treat serious oncology and infectious diseases”**. Session that will address the issue of the microbiome as a treatment for infectious diseases and cancer. This round table will take place on Thursday, **October 13 from 5:15 to 6:15 pm**: <https://htfc-eu.com/htid4-agenda/>
- **“Impact of mRNA application in innovative drugs with the support of adapted manufacturing settings”**. This session, in memory of the biologist François Gros, will be moderated by [Philippe Kourilsky](#), Professor Emeritus at the Collège de France. This round table will take place on Friday, **October 14 from 11:00 to 11:55 am**: <https://htfc-eu.com/htid4-agenda/>
- **“Closing the gap in Women's Health: we need to be the change”**. The roundtable will highlight the issues raised by women's healthcare. This roundtable will take place on Friday, **October 14 from 1:00 to 1:55 pm**: <https://htfc-eu.com/htid4-agenda/>

Other highlights will bring together international experts on central themes such as **the *In Vitro* Diagnostics industry, the uses of AI in healthcare, the importance of human capital, the major involvement of patients and associations in the development of new approaches to care, and finally the added value of mastering clinical data processing.**

This fourth edition of HTID® also marks the launch of the first pitch competition for European healthcare companies committed to patients. The objective is to offer these companies the opportunity to present their solutions to healthcare experts and investors. The winner will be awarded

the "*HealthTech For Care Innovation Award*", which will provide them with privileged connections with HTFC's sponsors, visibility through dedicated communication and free access to the 5th edition of the HealthTech Innovation Days (HTID®) event.

Among the investors: Adjuvant Capital, Abingworth, Cathay Capital, EIR Ventures, European Investment Bank, Eurazeo, Forbion, Fund+, HBM Partners, iBionext, Jeito, Karista, KKR, Lauxera Capital Partners, MAVIE Technologies, Panakes Partners, Sofinnova Partners, Turenne Capital, TVM Capital lifesciences will actively join the event.

In addition, pharmaceutical and industrial groups are also present: Amgen, Bristol Myers Squibb, Ferring, Ipsen, Organon, Merck, Sanofi, Servier.

The 4th edition of the HealthTech Innovation Days (HTID®) event is supported by sponsors: [Agile Capital Markets](#), [Amgen France](#), [BNP Paribas](#), [Bpifrance](#), [Bristol Myers Squibb](#), [Cepton Strategies/Vintura](#), [Dechert](#), [EIT Health](#), [Euronext](#), [Ferring](#), [Jeito Capital](#), [Icosa](#), [Alpha Blue Ocean](#), [Invest Securities](#), [Ipsen](#), [Leem](#) (Les Entreprises du Médicament), [Life Sciences Acceleration Alliance](#), [McDermott Will & Emery](#), [Organon](#), [Pharma Intelligence](#), [Rothschild&Co](#), [Sanofi](#), [Servier](#), [Sofinnova Partners](#), [Stifel](#).

About HealthTech For Care

The HealthTech For Care endowment fund is designed to support and promote access to healthcare for all, and more specifically to new medical technologies and medicines. The missions of the endowment fund are organised around three main areas: to support the development of the entire healthcare ecosystem, to accelerate the development of innovative therapies and medicines, and to promote better access for patients to the healthcare system in France and Europe. The governance of HealthTech For Care includes Maryvonne Hiance, Elsy Boglioli, David Caumartin, Pierre Courteille, Marc Dechamps, Eric Falcand, Frédéric Girard, Marc Julien, Anaïs Le Corvec, Cédric Moreau, Christian Pierret and Christian Policard.

HealthTech For Care benefits from the support of its founder France Biotech and the network of French health clusters: Atlanpole biotherapies, BioValley France, EuroBioMed, LyonBioPole, Medicen and the NSL clubster. The endowment fund is also supported by many European players: Asebio, BioAlps, BIO Deutschland, BioIndustry Association, BioWin, CEBR, Federchimica Assobiotec, flanders.bio, HollandBIO, IREFI, Medvia, Swiss Biotech and French: Business France.

About HealthTech Innovation Days

The HTID® event, initiated by France Biotech, provides a platform for promising European life sciences companies to accelerate their growth and bring innovation to patients. This European event gathers each year more than 800 participants including 300 global investors, 150 innovative European healthcare companies and about 15 pharmaceutical groups. The 4th edition will take place on October 13 and 14, 2022, in a hybrid format, combining in-person presentations, panels and one-on-one meetings in Paris with a virtual platform. It is organised by the HealthTech For Care endowment fund. The HealthTech Innovation Days are sponsored by international pharmaceutical companies, other health innovation companies, investors and many international opinion leaders.
