

# HealthTech For Patients

## Save the date 3<sup>rd</sup> edition of HealthTech For Patients' conference: *Healthier Together*

**Paris, Thursday, March 9, 2023**, HealthTech For Care is pleased to invite you to the 3<sup>rd</sup> edition of HealthTech For Patients on **Thursday, May 25, from 1:00 pm to 4:00 pm CET in virtual**.

HealthTech For Patients is a European conference that places the patient at the heart of medical innovation. For this 3<sup>rd</sup> edition, the format remains the same and will host two round tables several international experts, actors of the health ecosystem, on the following themes:

First round table: ***Non Communicable Diseases: from prevention to treatments***

Second round table: ***Cardiac diseases: For a better care of patients***

[Save the date](#)

**Maryvonne Hiance, President of HealthTech For Care, says** « *HealthTech For Patients is part of our strategy and our ambition: to ensure that all European innovative technologies are accessible to all patients, that they meet their needs, and that ultimately the entire innovation effort is patient-centered.* »

### **About the 2<sup>nd</sup> edition**

HealthTech For Patients gathered nearly 360 participants from 32 countries and five continents. This figure is a significant increase of 44% compared to the inaugural edition, in 2021. This international conference was supported by the European institutions represented by Ander Elustondo Jauregui, Policy Officer in charge of digital health at the European Commission. ### **About HealthTech For Care**

The HealthTech For Care endowment fund is designed to support and promote access to healthcare for all, and more specifically to new medical technologies and medicines. The missions of the endowment fund are organized around three main areas: to support the development of the entire healthcare ecosystem, to accelerate the development of innovative therapies and medicines, and to promote better access for patients to the healthcare system in France and Europe. The governance of HealthTech For Care includes Maryvonne Hiance, Elsy Boglioli, Pierre Courteille, Marc Dechamps, Christian Deleuze, Eric Falcand, Frédéric Girard, Marc Julien, Anaïs Le Corvec, Cédric Moreau, Christian Pierret and Christian Policard.
