

**HealthTech
For Patients**

by  HealthTech
FOR CARE

**COME LEARN
FROM THE PATIENTS!**

May 13th, 2025

Le 220 - 220 rue la Convention, 75015 Paris

1.

Partnering with Patients: A Healthtech Revolution

Learn how **patients**, as **active partners**, can transform the development of innovative technologies.

Gain insights from **patient experiences** and apply them to **your marketing strategies**.

2.

Visionary Health: Tackling Ocular Diseases

Join experts and innovators as they tackle challenges in **eye diseases** and **vision impairments**.

Discover how innovation is **reshaping ocular health** through **grounbreaking treatment** and **equipment advancements**.

SHAPING THE FUTURE OF HEALTHTECH TOGETHER

Explore **patient expectations** and the role of **innovative companies** in addressing them. Discover **European cases** that highlight the **power of collaboration** in healthcare and the importance of **disease prevention**.

PATIENTS TAKE THE STAGE

Hear directly from patients as they **share their experiences and expectations**. Learn how their voices shape innovation and drive **impactful solutions** across Europe's healthcare landscape.

An event organized by HealthTech For Care, an endowment fund to enhance access to care for all european patients and citizens.

To participate in our event, please fill out this form.
You will have the option to attend in person or remotely.

For each participation in HealthTech For Patients, we request a minimum donation of 100€ per person.
